

Product name	KuKirin G2 Pro electric scooter	
Product model	KuKirin G2 Pro	
Size	After folding: length*width*height	1187x620x560mm
	After expanding:length*width*height	1187x620x1315mm
Main parameter	Max speed	≤45 KM/H
	Full of power mileage	≤55 KM (depend on environment, angle, speed, driving habitat and so on)
	Max climbing	20°
	Tire	9 Inch rubber tire
	Shock absorption system	Front spring+rear spring
	Waterproof grade	IP54
	Brake system	E-brake+disc brake
	LCD display	Speed, mileage, gear, watt, power, turn mark, headlight open mark
	Light system	LED Highlight headlight
Main parameter	Charger rated input voltage	100-240V
	Lithium battery	48V15AH
	Charging time	About 7-8 hours
Status	Max load	120KG
Weight	Net weight	26.7KG
